

MPN Asia 2021

The Annual International Symposium on Myeloproliferative Neoplasms

Program * The program is subject to change without notice. All times listed in the program are in **Taiwan Standard Time (UTC+8)**.

8:00-8:05	Opening Remarks	Dr. Kazuya Shimoda
8:05-9:20	Basic Science	Moderator: Dr. Jong-Jin Seo
8:05-8:30	Elucidation of Molecular Pathophysiology of Myeloproliferative Neoplasms and Its Application to Therapeutic Decisions	Dr. Robert Kralovics
8:30-8:55	Therapeutic Potential of an Antibody Targeting the Cleaved Form of Mutant Calreticulin in Myeloproliferative Neoplasm	Dr. Marito Araki
8:55-9:20	Fibrocytes in Myelofibrosis	Dr. Kazuya Shimoda
9:20-12:15	Clinical Practice, Diagnostic and Treatment Strategy	Moderator: Dr. Dong-Tsamn Lin
9:20-9:45	Long-term Interferon Treatment for Polycythemia Vera	Dr. Richard Silver
9:45-10:10	Objectives of Polycythemia Vera Treatment	Dr. Srdan Verstovsek
10:10-10:35	Halting Progression of Polycythemia Vera - Importance of Disease Burden Measurement	Dr. Ruben Mesa
10:35-11:00	Management of MPNs in Pregnancy	Dr. Yoko Edahiro
11:00-11:25	Chronic Myeloid Leukemia and Treatment in China	Dr. Qian Jiang
11:25-11:50	Diagnostic Challenges in Early MPN, MDS/MPN Overlaps, and New Molecular Data	Dr. Hans Michael Kvasnicka
11:50-12:15	Novel Mechanism-based Advances in the Treatment of MPNs	Dr. John Mascarenhas
12:15-12:50	Lunch Break	
12:50-15:20	Interferon: History, Current Status and Future Prospects	Moderator: Dr. Norio Komatsu
12:50-13:15	Interferon History	Dr. Keita Kirito
13:15-13:40	Ropeginterferon as an Early Treatment	Dr. Heinz Gisslinger
13:40-14:05	High Rate of Complete Molecular Response with Long-Term Use of Ropeginterferon Alfa-2b in PV	Dr. Jean-Jacques Kiladjian
14:05-14:30	Compassionate Use of Ropeginterferon Alfa-2b in Taiwan	Dr. Chih-Cheng Chen
14:30-14:55	Interferon Treatment for Chronic Myeloid Leukemia	Dr. Dong-Wook Kim
14:55-15:20	Interferon Treatment for Adult T-cell Leukemia/Lymphoma	Dr. Akifumi Takaori-Kondo
15:20-15:30	Break	
15:30-15:55	Panel Discussion	Moderator: Dr. Lee-Yung Shih
15:55-16:00	Closing Remarks	Dr. Kazuya Shimoda
